

Oxford Scholastica Academy Rules & Regulations

Below are the Rules & Regulations we ask you and your fellow students to abide by in order to ensure that everyone has a positive time. Students are required to accept these in order to attend the Oxford Scholastica Academy, and in order to receive their Graduation Certificate. Changes to these may be notified to the student before or during the summer school.

Attendance

- We expect our students to attend all Classes, Masterclasses and other academic sessions (except when we tell you that a session is optional)
- We also expect students to attend breakfast (held in the campus), dinners and any trips and activities (except when we tell you that an activity is optional)
- Finally, we expect you to be in the accommodation during the Independent Study sessions and after dinner every evening
- Our staff members will be holding Check Ins to make sure you're in the accommodation at the following times. This is so that we know you are safe and ready for your next session:
 - 7.30-8.30am: Breakfast Check In
 - Independent Study Check In (at either 9am or 11am depending on your course)
 - 10.30pm: Curfew Check In
- We'll also check that you are present before exiting and returning to the accommodation as a group, for example before Masterclasses, meals etc.
- Please note that it is very important that you are on site for the Check Ins. If we can't find you, we will send out staff members to locate you and will call you on your mobile, and if they can't find you we may have to call the police to inform them you are a missing person
- In addition to the Check Ins, your Tutors will also check that you attend your Classes, and our staff team will hold a register of students for activities and trips
- Oxford Scholastica is an action-packed summer school, and it is important that you get enough sleep so that you are refreshed and ready for the next day. Our curfew is at 10.30pm, and we expect you to be getting ready for bed then. You shouldn't be in another person's room after the curfew, and lights out will be at 11pm
- Before you leave the summer school on your final day you must sign out on our official signing out form and hand in your key. Unless we are informed by your parents/guardian that they want us to look after you until you are collected by them (which needs to be by 12pm), you will be allowed to sign yourself out from the summer school on this final day
- If you are leaving early, or if you are leaving with another parent/family friend, we need to have received written permission from your parents to info@oxfordscholastica.com otherwise we won't be able to release you

Free time

Students on Discover courses (Discover Business, Discover Medicine, Discover Technology)

- In your free time and when you are on your way to and from classes you should always be with at least one other student; these students can be Discover and non-Discover students. In other words, you are not allowed out of the accommodation on your own
- After dinner, any free time period will need to be spent in the accommodation

Students on other courses

- During your free time periods before dinner, you will be allowed to leave the accommodation. Whilst we advise that you are with at least one other student at all times, you are allowed to leave the accommodation on your own during the day time (before dinner), but must sign out (and then back in again) using our Signing Out form. You must have our Emergency Phone number saved to your phone
- After dinner, any free time period will need to be spent in the accommodation

Academic Work

- We expect you to treat your academic work seriously and to prioritise this. You won't be allowed to graduate if you don't
- Unauthorised absences from academic sessions will be treated seriously as a discipline issue
- Your Tutors will set you work to complete after your Classes. This may include some reading, writing an essay, solving a problem or preparing a presentation. We expect you to complete this during your Independent Study sessions
- If you are finding your work difficult, or if you are ill, please let us know as soon as feasibly possible so that we can speak to your Tutor
- Please note that plagiarism will be treated seriously as a discipline issue. Please don't copy from another student, from a book or from the internet
- Mobile phones and other electrical equipment (including earphones and headphones) must not be used during any academic session or in any circumstances where phone usage would be inappropriate (for example, an activity or a guided tour on a trip) or when expressly requested by a member of our team

Illness

- If you are unwell, please notify a member of staff as soon as possible and follow any direction they give you
- This might include missing lessons if we believe you are not well enough to attend. Such absences will be authorised by Lavinia and will not have any influence on your final results
- Our team is First Aid trained but we might send you to a doctor or to the hospital if we feel this is the best course of action. A member of the team will accompany you and help you
- If you or a member of your household bubble develop symptoms of coronavirus, you will be required to self-isolate. We'll look after you and follow the steps outlined in the Oxford Scholastica Academy COVID-19 policy

Our Team

- Our team will treat you with respect, and we expect you to act respectfully towards our team and any other staff members you come across during the summer school. Please listen to and co-operate with their requests. Failure to do this will be treated as a discipline issue
- It is part of our policy that staff should not correspond with students via their personal email accounts, personal mobile phone or personal social media (such as Facebook/Twitter). It is important that you don't correspond or try to correspond with staff members unless it is through official Oxford Scholastica Academy email accounts/phones/social media. Our Twitter account is at www.twitter.com/oxscholastica and our Facebook account is www.facebook.com/OxfordScholastica and our Instagram is www.instagram.com/oxford.scholastica
- If you have an issue with any of our members of staff, please talk to Lavinia in the first instance. We have a Complaints Procedure which you can access via your Welcome Pack or by asking us for a copy

Our Campus and other Facilities

- Please treat all buildings and facilities that we use with care. Please report any problems with the facilities to a member of staff immediately
- Remember that you are sharing the campus with other students and staff members, and be considerate
- Please don't attach anything to or decorate any property, including the campus, except your pinboard in your bedroom
- We expect you to keep your room tidy and clean to facilitate the work of the cleaning staff
- When using the internet facilities, you must abide by the Oxford University IT Rules (www.it.ox.ac.uk/policies-and-guidelines)
- Please make sure you keep noise to a minimum, particularly on the terraces/gardens outside your accommodation and when approaching or leaving the accommodation
- Please ask your parents or friends to telephone you before curfew time. Please turn off/silence personal mobiles overnight
- Look after your key/card/fob – if you damage or lose the original you will need to pay the cost of the replacement
- If you damage any of the facilities you will be required to pay to cover the damage
- It is illegal to smoke in the accommodation, or in any building in the UK, and smoking in the grounds of the campus (including e-cigarettes) is also banned
- It's a very important part of our COVID-19 policy that nobody but you should enter your bedroom. This means that you can't enter your friends' bedrooms and they can't enter yours. This is to minimise the risk of infection or contamination. It is also important not to go into a kitchen if it has not been allocated to your household bubble. Please also don't stand in the doorways of other students - students should not be meeting/socialising in the accommodation (including the corridors or stairwell) but can socialise in a socially distanced fashion outside
- On your last day, we ask you to vacate your bedroom at 9am. You are welcome to stay until midday, but will then be required to leave the accommodation
- You are responsible for your personal belongings and valuables. If you would like us to look after your valuables, you are welcome to leave them in our safe, but please note that neither we nor the colleges are responsible for any theft, loss or damage. We recommend that you lock your room door when you are not in, and keep windows shut
- Do not block fire exits. If you do not leave the house when the alarm rings or if you tamper with fire equipment in any way you will receive a heavy penalty or fine. Do not try to get in or out through the fire doors; the alarm will go off immediately. Do not cover smoke alarms in your room

Safety

- It is critically important that you take responsibility for your own road safety. Please be careful to walk on the pavements and cross the road at official crossings, making sure you look both ways. Remember that drivers in England drive on the left hand side of the road. **The biggest single risk to your safety during the summer school is lack of road safety awareness**
- We ask you to bring a mobile phone to the summer school. There are cheap sim cards available in Oxford which we can signpost you towards. We ask you to keep your mobile phone always on during the daytime, with sufficient battery charge in it, in case of any emergency
- We will give you our emergency number at the start of the summer school, and if you need to use this please ring us
- In the case of a serious emergency, the number for the emergency services in the UK is 999. If you ring 999, please call us on our emergency number immediately afterwards to inform us of the emergency

- For our external trips and activities, you will be fully briefed beforehand. Please listen carefully to the member of staff giving the briefing
- When we visit external locations run by other organisations, please listen to their instructions and abide by their rules and regulations
- If you get lost in Oxford or on our trips, please call our emergency number immediately rather than try to find the group
- When leaving the campus as a group, for example when we go out for dinner in the evening, please stick with the group
- You are not allowed to use a bicycle during your time on the summer school

Family/Guardian Visits

- The Oxford Scholastica Academy is a busy summer school with many classes and activities, so long-term visits are not recommended
- Parents/guardians/friends may take you out during the summer school but must notify us beforehand via info@oxfordscholastica.com, seek our permission in writing and sign you out using our Absence Form. If the person taking you out is not your parent/guardian, they must be over 18 and they must bring their current passport/driving licence to prove their identity
- Please note that Students may only miss academic sessions in exceptional circumstances, and must have the written permission of Lavinia
- Please also note that, depending on COVID-19 restrictions in place, family and guardian visits during the summer school may not be allowed as part of our COVID-19 policy, in order to minimise your risk of infection or exposure to the virus

Behaviour and Discipline

- We expect you to follow our COVID-19 policy at all times, to act responsibly and be mindful of the importance of the policy, and of the potential consequences to yourself and to others of breaching the policy. We'll take any breaches of the policy seriously as they have potentially dangerous consequences to your health and the health of others
- We expect you to abide by the laws of England, and not to participate in any act or illegal activity that may bring you, Oxford Scholastica or any of our partners/facilities into disrepute
- The possession, purchase of, and/or consumption of, alcohol or drugs (illegal drugs or "legal highs") is a very serious disciplinary issue and any infringements will result in instant dismissal from the Oxford Scholastica Academy
- We expect you to speak English during your time on the Summer School
- Please refrain from showing inappropriate displays of affection
- Any form of bullying, harassment or racism will not be tolerated. If you are being bullied, or witness bullying, please tell a staff member immediately
- You should not at any time leave with a stranger or someone who isn't a member of the summer school
- We expect you to wear appropriate clothing, which we define as smart casual. If you are wearing inappropriate clothing we will ask you to change this. You are not allowed to get any tattoos or piercings done during your time with us
- We reserve the right to send you home in accordance with our Terms & Conditions, or to ground you, if you fail to abide by these Rules & Regulations, or our other policies
- We will deal fairly with disciplinary matters according to our Discipline Policy
